+91-9203281906 — rajrishabh1606@gmail.com — Goa, India — LinkedIn

## Education

---

**Birla Institute of Technology and Science (BITS), Pilani Goa Campus** 2024 – 2028  
Bachelor of Engineering (B.E.), Electronics and Instrumentation

**Relevant Coursework:** Data Structures & Algorithms, Object-Oriented Programming, Digital Design, Microprocessors, Control Systems

## Technical Skills

---

**Frontend Development:** HTML5, CSS3, JavaScript (ES6+), React.js, Vite

**Backend Development:** Node.js, Express.js

**Web Performance & QA:** Responsive design, cross-browser testing, performance optimization

**Deployment & Tools:** Git, Vercel, Netlify

**Programming Languages:** JavaScript, Python, C++, Java

**Soft Skills:** Team collaboration, creative problem solving, documentation

## Projects

---

**Intelligent Expense Tracker** 2024

*HTML5, CSS3, JavaScript, React.js, Vite*

- Developed a fully responsive web application for real-time expense tracking with offline support.
- Implemented interactive data visualization using charts to display spending patterns.
- Conducted quality assurance testing for optimal performance across devices and browsers.
- Improved application functionality and load speed using Vite and LocalStorage API.
- Deployed the project on Vercel and independently handled updates and troubleshooting.

**Jarvis: Personal AI Assistant**

2024

*Python, REST APIs, SMTP, NLP*

- Built a voice-activated assistant integrating multiple third-party APIs for task automation.
- Implemented command recognition and automated execution features to improve system accuracy.
- Collaborated on debugging and iterative feature improvements for performance optimization.

## Achievements

---

- JEE Mains: Secured 98 percentile among 1.2M+ candidates.
- JEE Advanced: Qualified.
- LeetCode: Solved 100+ problems demonstrating strong algorithmic problem-solving skills.
- Codeforces: Active competitive programmer (Div. 2/Div. 3).

## Extracurricular Activities

---

- Active participant in technical and creative initiatives at BITS Goa campus community.
- Consistent involvement in self-improvement and disciplined work routines.
- Guitarist with a focus on creative expression and collaborative innovation.
